## **Parent-School Compacts**

All of our stakeholders have a role in determining the success of our students. Parents will receive a Parent-School Compact annually outlining instructional goals for the campus. ## **Title I Parent Meeting**

Kenneth Davis Elementary will meet annually with parents to give information about Title I Programs. Parents can volunteer at any time through the PTA. Throughout the school year, we will provide opportunities for parent involvement.

## **Matching Parent Involvement Programs with the Needs of Our Community**

Each year, the SBDM committee and campus leadership meet to evaluate and plan campus events and programming. Numerous tools such as attendance data, parent surveys, STAAR scores, district curriculum, instructional quality and student motivation are analyzed to design quality instructional programming. Each year our school, in conjunction with parents and the SBDM committee, develops a campus action plan which outlines the total school instructional plan for our campus. Kenneth Davis welcomes and promotes parent input.
